Squad Makeup

Squad Leader

[Taii Sacre Ven Sanssinia](#), Female, [Separa'Shan](#)

Known for being one of the few living recipients of the Order Of The Blazing Sun, Yamatai's highest award for Valor. Sacre leads her team with a sharp tounge and even sharper knives.

Communications Specialist

[Ittô Heisho](#) Ioamai Lightbringer, Female, [Elysian Patrician](#)

A Elysian Patrician from a very wealthy family, Iomai disagreed with her parent's ultra-conservitive political views and joined the Star Army as an enlisted. Served on the YSS Ranger and fought alongside Sacre during the fifth battle of Malthus. She is tall with white wings, light peach skin, blue eyes, and long

golden hair which is often braided into a crown.

Fireteam Leader

[Nitô Heisho](#) Estrid Svendsdatter, Female, [Nekovalkyrja, Type 33](#)

Estrid passed the bar in Yamatai before joining the Star Army for her own unstated reasons. Peach skin with blue hair and eyes.

Fireteam Leader

[Jôtô Hei](#) Katsumi Takei, Male, [Nekovalkyrja, Type 33](#)

One of the very few Nekovalkyrja who identify as male rather than female. He binds his already small breasts to help accentuate his masculinity.

Trooper

[Ittô Hei](#) Narai Ven, Female, [Nekovalkyrja, Type 33](#)

Born on Essia during the occupation, this brown colored neko with green hair is a expert jungle fighter.

Trooper

[Nitô Hei](#) Hanai Makoto, Female, [Nekovalkyrja, Type 33](#)

Hanai Makoto is a childlike cream-colored Nekovalkyrja soldier with wide golden eyes and long wavy pink hair. She is very tall and buff for a Neko. She loves the color pink and extravagant dresses.

Trooper

[Nitô Hei](#) Saito Shoko, Female, [Nekovalkyrja, Type 33](#)

Saito Shoko is a flat-chested light gray Nekovalkyrja infantry soldier with wide cerulean eyes and crew cut jet black hair. She has a tail that reflects her mood and emotions. She strongly believes in a Militaristic version Shintoism. She reveres all of the Taisho as living Kami.

Trooper

[Ittô Hei](#) Sam Adams, Female, [Minkan](#)

Sam has dark skin and black hair in well cared for dreadlocks. Sam doesn't have a backup.

Intelligence Analyst

[Nitô Hei](#) Aten, Genderless(They/Them), [PANTHEON](#) Infolife

Aten is a Infolife member of Star Army. When on missions, they live in the intelligence suite of one of Sacre's [Tailpack](#), [Type 41](#), they provide vital information to the team. Aten has no gender, preferring they pronouns. When projected holographically, they look like a small ball that has shifting lights inside it. They don't speak about their origin, but they do have a lot of knowledge about Kuvexian protocols.

Mascot

Ophion, Male, [Drake](#)

Ophion is Sacre's personal drake, and the team mascot even if he does not go on missions with them. He has golden eyes and electric blue scales with golden flakes.

Former Members

- [Freydis Eiriksdottir](#)
- [Klaus Kurogane](#)
- [Maradia](#)
- [Kanzaki Akahana](#)
- [Esfir Egorova](#)
