## Function

Crimson Squadron was an attempt at getting a fighter squadron that was filled with fighters and personnel from each and every part of the fleet. From the Motoyoshi, Yugumo Corp, Mining Guild, Takeda, Fifth and first fleet. It was made as part of the belief that everyone can work together. For that purpose, the Mining Guild provides a [Starbreaker](#) that they have just constructed.

## History

The Crimson Squad was formed after the launch of the Colonial Initiative, early on its journey. This was so that the groups making up the [Colonization Initiative Alliance fleet](#) could learn and gain experiences working together.
