

Pirate

Being a pirate is a potential occupation in the Star Army RP.

Piracy in the Star Army Universe

In the Star Army Role-Play, pirates have traditionally operated on the fringes of the [Yamatai Star Empire's](#) territory and in parts of [Nepleslian](#) space. Inside YSE territories, most ships are fairly well protected by the [Star Army of Yamatai's](#) immediate presence.

Currently, pirate activity is very widespread and successful in the former [United Outer Colonies](#).

The [abwehran_star_empire](#) has an aggressive history against pirates, and due to the 10¹⁾ years long [Pirate Wars](#) most [Abwehrans](#) view Pirates as a hated enemy to be defeated, rather than common criminals. Because of this, Pirate activity is actively, and thoroughly, hunted and crushed with great impunity. Only the bravest, ignorant, or foolhardy of criminals seek to plunder the space an Abwehran Ship claims jurisdiction.

Playing As A Pirate

Pirate crews, while generally having set jobs, often rely more on the ability of their crews to perform multiple jobs. Since they often do not visit port for weeks or months at a time, the ability of the crew to pull shifts on each others jobs or to take over for a wounded or dead crew member is necessary. Besides this fact, most crew members share the same skills as a regular military navy officer, though how they have acquired them may vary widely, since there is no pirate academy. Skills directly relating to their position on the ship is vital, and most have some underhanded skills under the 'Rogue' Type, as well as various other unrelated skills that could come in handy in a pinch, anything from cooking to demolitions is conceivably useful.
