

Combat Boots

Combat boots are a common style of footwear in the [SARPIverse](#) and are available to any faction or character.

They are manufactured by various companies including [Ketsurui Zaibatsu](#) and cost about 100 KS.

History

Combat boots have been produced and used for [thousands of years](#). As a result, they are readily available in most [factions](#) and are used by both military forces and many civilians.

Description

Combat Boots were originally designed for utility in military operations such as combat and long marches across a variety of terrains and conditions. Combat Boots typically have a protective leather body, steel toes, a rubber sole with a terrain-gripping tread, and a leather or fabric upper portion to increase ankle stability. They are designed to be laced up quickly and easily.

Combat boots are available in many colors. The most common colors are black, brown, and tan.

Jungle Boots

Jungle boots are designed to work in hot, very wet and muddy environments without rotting. They typically have green fabric upper bodies.

Desert Boots

Desert boots are designed for low transfer of heat from the ground to the foot, for light weight, and for

excellent ventilation. They are tan in color and use rough-out leather.
