

# Hilarity

Hilarity is a neuro-chemical weapon.

- Manufacturer: [Origin Industries](#)
- Price: 20 DA

## Overview

A drug that can be distributed through a syrup or gaseous form. The drug functions by triggering the laughter response in the body, and not letting up. Thirty or forty seconds after exposure, the subject enters a state of intense laughter, causing suffocation. The drug has a number of purposes, depending on dosage. It can be used as a chemical agent for the military, a recreational drug, or used to sedate patients and give them an enjoyable ride to such a state. This drug works on Nepleslians and Geshrin, however it does not work on Yamataians and Nekos due to their digital brains.

## Effects

However absorbed into the body, this drug affects the section of the brain that produces laughter. This triggers uncontrollable laughter and a sense of euphoria for no obvious reason. It's effects will last depending on the dosage given.

## Side Effects

- Minor to severe brain damage (dependent on dosage)
- Tearing of the diaphragm

## Overdose

- Death due to suffocation
