

Combat Vest

A Combat Vest is a military-style vest designed for holding ammunition magazines, grenades, and other military weapons, gear, and supplies, similar to a [Combat Harness](#).

Price: 48 [KS](#) or the local equivalent. They are made by various manufacturers including [Ketsurui Zaibatsu](#).

History

Combat vests have been worn by military forces for thousands of years before the time of the [Yamatai Star Empire](#). They were invented around the time of the earliest days of [Human](#) spaceflight on the legendary planet of Earth, wherever that is.

The usefulness of combat vests keeps them around and they to used by military forces such as the [Star Army of Yamatai](#).

Description

This combat vest has padded shoulders with adjustable webbed suspenders and mesh panels. On the front panels are four built-in ammunition pouches and two smaller pouches for grenades. On the bottom of the vest are fabric loops with snaps for attachment to a belt. The pouches are typically printed with a camouflage pattern such as [RIKUPAT](#).

Usage

As a result of their long history, combat vests can be found in use by any [faction](#) or organization that engages in armed conflict.

The [Star Army of Yamatai](#) has a stock of combat vests the the [Central Fleet Depot](#). For an armored vest see [Type 40 Plate Bearing Vest](#).
