

Sarah's Salvaged Hray Stealth Gunship "Willow"

A [NAM-S1-01a Hray Class Stealth Gunship](#), received by [Sarah Pine](#) from the [YE 42 Second Chance Salvage Corporation](#) year-end give away.

History

Sarah after her return to the public view near the end of [YE 42](#), entered the annual salvage give away. She then contacted [Nepleslian Star Empire](#) authorities to have any sensitive components stripped. In return, the ship was repaired, then retrofitted with components from [New Dusk Conclave](#) companies.

Description

The ship now boast NDC technologies, and has been repainted as well as registered. It now bares a rose red colored paint job on the hull, and the NDC flag. The ship has also been redubbed, the NDS-Willow.
