

Yuko Companion

Yuko's KAIMON Ascendant Companion (Floofy)	
KAIMON/Ascendant Companion	
	An odd, flying bioluminescent adorable canine creature purple, with white parts. The species is unknown, but it is known to fly around Yuko, while also being curious about the world. It is a well behaved, creature willing to follow orders. ¹⁾
Attachments	Medical Emergency aid Attachment,Powered Multitool utility attachment, electrical data electronic attachment,Pneumatics Vacuum Hydraulics Attachment
Access	KAIMON Network.
