

# Star Army Incendiary Grenade, Type 30

The Type 30 Incendiary Grenade is designed to destroy equipment by melting it through the use of extreme temperatures. The grenade is ovoid and has a dark gray exterior with an red stripe around its side. It is used by the [Star Army of Yamatai](#).

It is activated by yanking a loop of string out from the top, which closes an interior electric circuit. These grenades have an estimated lifespan of about 50 years.

Effective Radius: 1 meters.
