

The Catchy Cafe

The Catchy Cafe is a small cafe at the bottom of a 5-story apartment complex in the northern outskirts of [Kyoto](#). It is operated by the son of the owners of the apartment building, as well as his [Nekovalkyrja](#) friend. It serves all manners of [Coffee](#) and espresso, and is known in the immediate area for its quality doughnuts. Its decor is somewhat art-deco, though the walls are bare concrete and it is usually a little dark inside.

See [here](#) for a scene inside the Catchy Cafe.
