

Chateau Hanako

Chateau Hanako is a huge estate on [Hanako's World](#), known primarily for being the center of the planet's distilleries and vineyards (but not the breweries). It is owned by [Hanako](#), although day-to-day operations are managed by employees since Hanako is off saving the universe in the [Star Army of Yamatai](#). As of [YE 40](#) the palace and winery grounds have also started to host weddings on a regular basis.

The Chateau is home to [Hanako's Palace](#).
