

Nyx's Private Land

This is a subarticle mentioning [Lady Nyx Pine](#)'s home and property on [Sirris VI](#), it is a 6 acres land area located in the Obsidian cliff residential area of [Obsidian City](#)

Driveway

✖ Her property is situated adjacent to Obsidian City, linked by a well-paved road that meanders through the picturesque countryside before seamlessly merging with her land. As one approaches her estate, the road gracefully transitions into a gravel driveway, bordered by verdant trees and vibrant flora, leading visitors towards the heart of her property. This empty driveway serves as a welcoming gesture, offering ample space for guests to park their vehicles without encroaching upon the tranquility of her surroundings. It embodies her hospitality, providing a seamless entry point into her realm for those seeking refuge or connection within the serene sanctuary of her home.

Backyard:

✖ In the serene expanse of the backyard, nestled amidst the verdant landscape, lies a flourishing garden tended to with care and devotion by Nyx. Here, amidst a tapestry of vibrant blooms and lush foliage, Nyx pours her passion into the art of nurturing life, a pursuit ignited by a desire to find solace and equilibrium in the wake of a life steeped in the rigors of military service. Each plant, with its delicate tendrils reaching towards the sun, serves as a testament to Nyx's innate ability to foster growth and vitality, transforming the once barren earth into a vibrant sanctuary of life and beauty.

As Nyx tends to her garden, the rhythmic sound of soil beneath her fingertips becomes a symphony of creation, echoing the whispers of possibility and renewal. It's a therapeutic escape from the chaos of battlefields, a sanctuary where Nyx finds solace and purpose in the quiet contemplation of nature's

wonders.

Pathways

Adjacent to the garden, a winding pathway leads to a spacious deck that extends gracefully towards the horizon, offering an unparalleled vista of the boundless ocean beyond. From this vantage point, Nyx can gaze out across the azure expanse, her eyes tracing the gentle undulations of the waves as they dance beneath the sun's radiant embrace. Beyond the ocean's embrace lies the sprawling metropolis of Obsidian City, its towering spires and bustling streets a testament to the indomitable spirit of [New Dusk](#)  [Conclave](#).

To the left of the deck, a pathway beckons towards the grand landing pad, a portal to the stars that stands as a testament to Nyx's unwavering determination and adventurous spirit. As Nyx traverses this path, she is reminded of the journey that lies ahead, a journey filled with limitless possibilities and boundless horizons, waiting to be explored beneath the watchful gaze of the stars.

Ocean Facing Landing pad

Nestled gracefully above the vast expanse of the ocean, a marvel of modern engineering awaited  discovery: a walkway suspended in mid-air, seemingly defying gravity itself. Constructed with the latest advancements in holographic technology, the walkway appeared to shimmer and dance with ethereal light, casting an enchanting glow over the azure waters below.

At the culmination of this mesmerizing walkway lay a grand landing pad, a testament to both opulence and practicality. This expansive platform served as a bustling hub for interstellar travel, capable of accommodating a diverse array of starships, from sleek family-owned vessels to majestic guest transports. Its sheer size and versatility were truly remarkable, providing ample space not only for the illustrious [Night Star](#), a beacon of luxury and power in its own right, but also for Ezriel's formidable ship, a testament to his adventurous spirit and unwavering determination.

As visitors traversed the walkway, they were greeted by the hum of distant engines and the faint scent of ionized air, a tantalizing preview of the interstellar journeys that awaited them. The landing pad stood as a gateway to the stars, a conduit through which dreams and aspirations took flight, connecting distant worlds and fostering bonds that transcended the boundaries of time and space.
