

Pagoda No Uesureya

Pagoda No Uesureya (commonly called Pagoda no Uesu) is a city on [Yamatai \(Planet\)](#). It is named after the 13-story pagoda castle built there in a traditional ancient Japanese style.

Formerly the seat of the [Uesureyan Empire](#), the city soon grew in size when it was allocated to be the home site of the infamous corporate weapons manufacturer, [PNUgen Corporation](#). The city supports a population of about 125,000.

Pagoda no Uesu's main attractions are the 13-story imperial pagoda and the large garden surrounding the city. Security is tight around the old labs, which are said to be filled with some strange murderous creations and accidents of PNUgen's research, and a few old robotic guards as well. Birthplace of [Ketsurui Yuumi](#) and [Ketsurui Yui](#). The PNUgen labs were heavily damaged in a raid by the [YSS Sakura](#) in [YE 29](#).

In [YE 38](#), [Trinary Star Shipping](#) established a storefront in Pagoda no Uesureya.

A [Kikyo Pie Company](#) opened in Pagoda no Uesureya in [YE 41](#).

Transportation

Pagoda No Uesureya is part of the planetary rail network and has lines running to

- North: [Ketsurui no Iori](#)
