

Shinjuku Market District

The Shinjuku Market District is the new primary commercial area on [Hanako's World](#). Built in [YE 35](#), hopes to eventually compete with [Kyoto](#), [Yamatai](#) and [Gunther Shopping Center](#) to be the [SARPIverse's](#) greatest shopping district.

It is divided into two major sections: the **restaurants** and the **shops**, and is also full of **street vendors**. The buildings are built in a historic-inspired style with decorative carved stone and brick facades. In [YE 36](#), [Shinjuku Starport](#) was built next to the market district, placing the centers of transportation and commerce next to each other for maximum convenience.

Got a shop idea? See the [Guide To Being a Merchant in Star Army](#).

Transportation

The newly-constructed [Shinjuku Starport](#) is located at one end of the market district, meaning travelers have immediate walking access to cars, trains, and starships. See the starport's page for details on travel destinations.
