Plot Overview

In YE 41, [Ketsurui-Motoyoshi Katsuko](#) was ordered by [Ketsurui Yui](#) to rebuild the [First Expeditionary Fleet](#) for the [Star Army of Yamatai](#). For years [Ketsurui-Motoyoshi Katsuko](#) had toiled to rebuild and reunify the [Motoyoshi Clan](#) and had sought to bring her daughter [Motoyoshi Kiyoko](#) to justice for the events that had

shattered the clan in [YE 30](#) and had created the [United Outer Colonies](#), as well as countless war crimes against the Empire and its citizens. Katsuko makes her valiant return to the [Yugumo Cluster](#) along with the members of her clan in hopes of it finally becoming the home that they had intended to build after the fall of [Taie](#).

The plot focuses on missions centered around the [First Expeditionary Fleet](#), [Motoyoshi Clan](#) and is a mix of character interaction and other different mission profiles. The plot is presented in episodes with companion stories connected to each main episode.

Episode 1: I Stand, Again

4月 41年¹⁾

After several years on the sidelines of the action as commander of the [Seventh Fleet](#), [Taisho Ketsurui-Motoyoshi Katsuko](#) is given the task of re-establishing the [First Expeditionary Fleet](#). After some time on [Yamatai \(Planet\)](#), she races towards her new assignment at [Gemini Star Fortress](#) in the [Ketsurui Military Sector](#). She is reunited with her daughter, [Motoyoshi Kaoru](#), as well as [Hanabusa Miho](#) and [Blues Arnoul / Catharsis Black](#).

In a discussion with [Blues Arnoul / Catharsis Black](#), [Ketsurui-Motoyoshi Katsuko](#) unravels a story of the abuses he received when he was held captive on the [The Akuro III](#) by her traitorous daughter, [Motoyoshi Kiyoko](#) who was rumored to be attempting to sell the [The Akuro III](#) to the [Interstellar Kingdom Of Kuvexia](#). Informants from [Star Army Intelligence](#) find out that [Chujo Motoyoshi Misato](#), another suspected traitor, is expected to meet with [Motoyoshi Tio](#) who has been missing since the fall of the [United Outer Colonies](#) in [YE 34](#) on [Jiyuu III](#).

Upon further investigation, it is discovered that [Motoyoshi Tio](#) was more of a victim, and was held along with [Blues Arnoul / Catharsis Black](#) on the [The Akuro III](#) by [Motoyoshi Kiyoko](#). It also became clear that [Motoyoshi Misato](#) was in league with [Motoyoshi Kiyoko](#) all along and had been attempting to manipulate [Ketsurui-Motoyoshi Katsuko](#). They figure out that [Motoyoshi Misato](#) plans to attempt to murder [Motoyoshi Tio](#) and capture his son [Motoyoshi Eidan](#) for [Motoyoshi Kiyoko](#). [Ketsurui-Motoyoshi Katsuko](#) assigns her daughter, [Motoyoshi Kaoru](#) along with [Blues Arnoul / Catharsis Black](#) to take [Motoyoshi Tio](#) and [Motoyoshi Eidan](#) into protective custody.

Meanwhile, [Ketsurui-Motoyoshi Katsuko](#) begins her assigned mission to re-establish the [First Expeditionary Fleet](#). The decision is made to move [Gemini Star Fortress](#) and the [First Expeditionary Fleet](#) re-establishment to the [Jiyuu System](#). At the end of the episode the [First Expeditionary Fleet](#) and the [Motoyoshi Clan](#) make their epic return to the [Jiyuu System](#).

Companion Story: Hidden in the Sunflowers

4月 41年²⁾

Former Prince [Motoyoshi Tio](#) of the [United Outer Colonies](#) resurfaces in [Himawari Tokyo](#) in early [YE 41](#). After years of being held prisoner on the [The Akuro III](#) and tortured by his sister [Motoyoshi Kiyoko](#), along

with two of his Blackcoat Protectors, Hiorji and Eisuke. Having returned to a very different [Jiyuu III](#), now under the flag of the [Yamatai Star Empire](#), Tio feels like he is on the run from both the [Star Army of Yamatai](#) and the Tange Clan who are loyal to [Motoyoshi Kiyoko](#). In his misunderstanding, he had agreed to meet with [Motoyoshi Misato](#) unaware that she was in league with [Motoyoshi Kiyoko](#) and not his mother, [Ketsurui-Motoyoshi Katsuko](#).

[Motoyoshi Tio](#) entrusts Eisuke with a note meant to be delivered to a woman named Anzu who has taken care of his and [Tange Amaya](#)'s son, [Motoyoshi Eidan](#) since he hid him away in [YE 33](#). [Motoyoshi Tio](#) also stresses to his two companions the importance that they should leave his side soon and make a new life for themselves, rather than being on the run with him. Mrs. Tanaka, and old [United Outer Colonies](#) sympathizer owns the cafe where the former prince and his men have taken up refuge at night tries to be helpful and provides sage advice for [Motoyoshi Tio](#).

Eisuke follows [Motoyoshi Tio](#)'s instructions and delivers the note to Anzu, and gets introduced to [Motoyoshi Eidan](#) who has been living under an assumed identity and going to school with other children his age. Eisuke in his discussions with Anzu finds out that [Motoyoshi Kiyoko](#) likely killed [Tange Amaya](#) when she failed to cooperate. Eisuke learns that [Motoyoshi Tio](#) sought to warn Anzu that [Motoyoshi Kiyoko](#) had the intention of kidnapping [Motoyoshi Eidan](#) to use in her bitter conflict with [Ketsurui-Motoyoshi Katsuko](#) and the [Yamatai Star Empire](#).

Bad Tourists and The Weakest Link

Several of the Tange Clan members; including Tange Fumiko, Ceiko, Kaida along with [Koyanagi Mayumi](#) are staying at the Fuji Hotel in [Atarashi Tokyo](#) and are under the surveillance of [Star Army Intelligence](#). They have been following [Motoyoshi Tio](#) and his associates, which has put [Motoyoshi Eidan](#) back in harm's way.

They have also found out that [Ketsurui-Motoyoshi Katsuko](#) and the [First Expeditionary Fleet](#) are going to arrive the following day. [Koyanagi Mayumi](#) is actually cooperating with [Star Army Intelligence](#) and provides their agent with the details of the Tange plan.

A Fortunate Day

This roleplay has flashbacks to the Unfortunate Night³⁾ in the [Fifth Expeditionary Fleet](#) when [Motoyoshi Misato](#) tricks Hanabusa Tono into betraying the [Star Army of Yamatai](#).

5月 41年⁴⁾

[Chujo Hanabusa Miho](#) has returned after being undercover for [Taisho Ketsurui-Motoyoshi Katsuko](#) infiltrating the ranks of the [The Akuro III](#). In coordination with [Star Army Intelligence](#) they execute an operation to extract [Koyanagi Mayumi](#) at the Fuji Hotel in [Atarashi Tokyo](#). The operation interrupts a meeting planned between [Koyanagi Mayumi](#) and [Motoyoshi Misato](#), and [Star Army Intelligence](#) orchestrates an arrest of [Koyanagi Mayumi](#) as to not draw suspicion to her cooperation. Meanwhile, [Motoyoshi Misato](#) is purposefully allowed to escape so that they can continue to track her and the members of the Tange cell operating in [Tokyo](#).

[Koyanagi Mayumi](#) is taken back to [Jiyuu Jo](#) where she is held until [YE 43](#).

Episode 2: The Evening Orchid's War

5月 [41年](#)⁵⁾

[Motoyoshi Kaoru](#) and [Blues Arnoul / Catharsis Black](#) set out on their mission in Old [Tokyo](#). They have a close encounter in the streets with some members of the Tange Clan who are also closing in on [Motoyoshi Tio](#). Mrs. Tanaka, the old [Peacekeeper](#) sympathizer who owns the shop reluctantly agrees to let [Motoyoshi Kaoru](#) and [Blues Arnoul / Catharsis Black](#) meet with [Motoyoshi Tio](#) who had been taking shelter in her establishment at night along with his cohorts Eisuke and Hiroji.

Upon meeting [Motoyoshi Tio](#), he recognizes [Blues Arnoul / Catharsis Black](#) from captivity on the [The Akuro III](#) which puts him at ease. [Motoyoshi Tio](#) reluctantly agrees to retrieve his twelve-year-old son [Motoyoshi Eidan](#) from hiding and dispatches Eisuke to take care of it since he had been sent previously to deliver messages to the boy's caretaker. [Blues Arnoul / Catharsis Black](#) and [Motoyoshi Kaoru](#) lead [Motoyoshi Tio](#) into the underground for his own safety while Eisuke is sent to get the boy.

In the meantime, [Ketsurui-Motoyoshi Katsuko](#) returns to [Jiyuu Jo](#), the castle she had never gotten to step foot in because of the formation of the [United Outer Colonies](#) and the children who betrayed her. She is joined by [Motoyoshi-Yamada Ayano](#).

Companion Story: Jiyuu Sunsets

1月 [42年](#)⁶⁾

[Motoyoshi Kaoru](#) and [Blues Arnoul / Catharsis Black](#) take shoreleave in the Hideyo Islands on [The Dream of Taie](#), a galleon style sailing ship owned by [Ketsurui-Motoyoshi Katsuko](#).

Episode 3: Forty-Two

1月 [42年](#)⁷⁾

Half a year after [Motoyoshi Tio](#) and [Motoyoshi Eidan](#) are taken into the protective care of [First Expeditionary Fleet](#) and the [Motoyoshi Clan](#), [Motoyoshi Eidan](#) has started to settle into [Jiyuu Jo](#) and has begun to learn about his true origins and establish a relationship with his grandmother [Ketsurui-Motoyoshi Katsuko](#). [Motoyoshi Tio](#) and his mother discuss the future of the boy and [Ketsurui-Motoyoshi Katsuko](#) indicates that the clan believes that [Motoyoshi Eidan](#) should be raised by someone who is not a traitor.

Reunited after a long absence, [Ketsurui-Motoyoshi Katsuko](#) takes a break from her duties re-establishing the fleet, to spend the day with her sister [Motoyoshi Eri](#) in [Tokyo](#). Worried for the [Taisho](#)'s safety, [Chujo Hanabusa Miho](#) dispatches Eisuke and Hiroji who have since joined the [Star Army of Yamatai](#) to protect them. [Ketsurui-Motoyoshi Katsuko](#) and [Motoyoshi Eri](#) go dress shopping and proceed to try on dresses at

a local dress shop. The shop keeper quickly reveals she is a sympathizer of the fallen [United Outer Colonies](#) but is relatively ignored by the two sisters. While [Ketsurui-Motoyoshi Katsuko](#) and [Motoyoshi Eri](#) try on dresses, things get a little steamy in the changing room. As the two are occupied with each other the shopkeeper contacts a cell of the Tange Clan to alert them of the location of [Ketsurui-Motoyoshi Katsuko](#) and they send an assassin to the location.

Eisuke, Hiroji and [Hanabusa Miho](#) intercept Tange Yua before she can assassinate [Ketsurui-Motoyoshi Katsuko](#) and [Motoyoshi Eri](#). They take both the Tange Clan member and the shopkeeper into custody. Although aware of the incident in the shop, [Ketsurui-Motoyoshi Katsuko](#) and [Motoyoshi Eri](#), emerge from the changing room rather consumed with each other instead of the attempt on their lives.
