Plot Overview

Sector searchers is an independant plot based around [Alex Tasuki's](#) search for an old friend. The focus of the roleplay is the new people that he will meet, and the adventures that they go on while searching the [Kikyo Sector](#) for clues (hence the name).

Rules and Pacing

Put the following here in this section:

- The format for this plot is mainly space combat based threads and social based JPs, however there will be exceptions.
- Pacing for threads is 1-3 days between posts (meaning that each player should be posting at least once every three days) and if requirements are not met their character may be treated as if they had frozen up or not acted.
