Plot Overview

It turned out the threats relayed by Bothosar on the behalf of Minjun Kiri in the [Arrival of the Norians](#) were not empty after all. In fact, the Devourer had been sent to its death as part of a bigger plan. This story will explore the aftermath, and the resulting pressures on [Ayenee](#). The invasion is already in progress. The goal is to prevent all-out war, but the fates will decide if that hope comes true.

Joining the Plot

Joining the plot will require an out-of-character interview. [Ayenee](#) can be a brutal place and there is a risk of character death. It is recommended for people who are confident in their writing skills and who are prepared for a more outside-of-the-box type of roleplay.

History

A historical account of this plot:

Operation Fireplace

Operation Fireplace

During the [Arrival of the Norians](#), an Asune Entity of the Devourer Type named Bathosar attacked the [Star Army of Yamatai](#) and their allies. It delivered a vague and obscure threat from Minjun Kiri, the Crowned Prince of the U'rstholloshan Empire in regard to [Ayenee](#). At the time the threat seemed to be pushed as an afterthought as the people of [Tsenlan](#) were taken to safety and joined the [Yamatai Star Empire](#).

Deck These Dark Halls

Deck These Dark Halls

During the former [Tsenlan](#) celebration of Chrystmas Winter Festival, the U'rstholloshan's Dac'kelacha Military Arm under the leadership of Crowned Prince Minjun Kiri makes their first move on [Ayenee](#). Using the lack of [Tsenlan](#) involvement they brutally defeat the MERN soldiers guarding the City of Jahae in Surrune, a region inhabited by [Norians](#) on the Eastern-most continent of the planet. The presence of Minjun escalated with the arrival of his parents Empress Xytrinah Equinius-Kiri and her husband Emperor Koshiro Kiri. As the population is subjected and indoctrinated, their Chrystmas celebration is veered to the worship of Asune Enetites known as the Outer Gods.

Participation

A level of high-quality writing is expected in this plot.²⁾ Due to the “transuniversal” nature of the plot, it takes place partially on another forum. Although Ayenee may be run by Wes right now, it maintains its own independent flavor and has its own history which has been roleplayed out by many people over the years. It is expected that those involved in this plot will act as good ambassadors of the Star Army site, as well as be respectful of the non-Star Army side of the plotline. People who enjoy bashing Yamatai or Star Army as a whole, please refrain from applying for an interview in this plot.

Assets

- To be determined after the meeting with [Taisho Ketsurui Yui](#).

Characters Wanted

We prefer [Norian](#) who have joined or will join the [Star Army of Yamatai](#).

- MOS preferences will be discussed at the interview.
