

UCS Vanguard

Advance Force into the Unknown

UCS Vanguard in RP

Previous Status

The UCS Vanguard was an ADULT (18+) plot and was part of the [Fifth Expeditionary Fleet](#) and, later, the [UOCPF](#)). It was GMed by [Toshiro](#), starting on April 14, 2008. The concept behind the plot was one of both furthering the 5th XF's goals and technological development. The RP assumed a large number of the crew of the [YSS Asuka](#), and replaced the destroyed ship, so it could be considered a partial continuation.

The UCS Vanguard is an intermediate ship between the YSS/UCS Asuka and the UCS Asuka II, and is an [Ionoche class Light Carrier](#).

Current Status

Relaxing from the first part of an exploration mission-turned rescue operation, the crew is waiting to leave the Vanguard for the Asuka II.

UCS Vanguard: A History

The UCS Vanguard is a ship which served for part of one mission in YE 30 to explore the first planet in the Mitsuya System, until the completion of the UCS Asuka II.
