

Fort Hanako

Fort Hanako was a [Star Army of Yamatai](#) planetary base located on [Hanako's World](#). Like the planet, it was named after [Hanako](#).

History

Construction of the base began in [YE 31](#), after the start of the [Second Mishhuvurthyar War](#). In [YE 32](#), a massive military skyscraper was added when the fort became home of [Legion II](#).

After the Star Army's massive defeat in the [Battle of Hanako's Star](#), [Kuvexian](#) forces orbitally bombarded the fort until it was nothing but craters and burning rubble and wreckage.

Facilities

Facilities at Fort Hanako were centered around the parade grounds and starport. The base was built on nine [City Blocks](#) and a starport behind them with a large underground bay beneath. The starport was also lined with above-ground hangars and warehouses.
