

Libra - Echo Arm

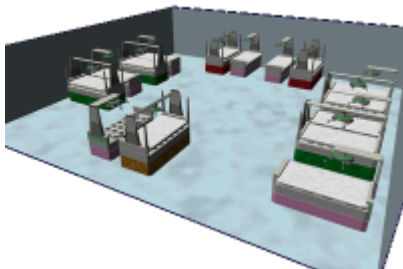

This page contains details about Arm Echo of [Libra Star Fortress](#).

Echo Arm of [Libra Star Fortress](#) is dedicated to supporting the [Second Expeditionary Fleet](#). It is dedicated to research and development efforts from [Star Army Research Administration](#). Experimental starships, and systems are developed, tested and installed on test craft.

The concourse makes up the main centers of the arm. The center contains moving walkways and a carpeted hallway 24 meters across. The walkways are lined with various shops, offices, and restaurants. The central area of the concourse is decorated with flowering plants, and dwarf trees to enhance the area. Running behind the shops is the [Zodiac Light Rail System](#), with stations located every kilometer along the arm's length. At each station a water feature is present with benches. The features are made to resemble natural pools or cascades and 🌳 [Bonsai](#) trees are typically arranged in the feature to add to the ambiance.

Facilities:

There is a [Autonomous Medical Treatment Center](#) located in the middle, that serves as emergency medical facilities/triage.
