

Star Army Base Housing

Family housing is available at most permanent and large [Star Army of Yamatai](#) bases (think ones that would also have large barracks for single soldiers), and is available for free for any soldier of the [Star Army of Yamatai](#).

- Military Districts, such as the [Military District of Kyoto](#)
- Ground [bases](#), such as [Fort Minori Reserve Center](#)
- Star Fortresses such as [Irim's City](#)

Family housing is typically unavailable aboard the Star Army's starships or at frontier bases, with the exception of some very large starships such as:

- Selected [Izanagi-class Dreadnoughts](#) during peacetime operations
- Colony ships that allow families

Bases typically need to be large enough to easily fit the houses and schools and a grocery store, et cetera, in order to have housing available.

It is common for a spouse to have a part-time job on a Star Army base or ship such as working at the [Warm and Sweet](#) 4 days a week.

Families would not be housed on:

- Battleships
- Cruisers
- Gunships
- Cargo Vessels
- Scouts
