

Star Army Disposable Surgical Scrubs, Type 32

Star Army of Yamatai *Disposable Surgical Scrubs* became available in [YE 32](#).

Price: 5 KS a set

Background

Surgery is an extremely invasive procedure that is as often life threatening as it is life saving. To reduce cross contamination, and possible infection, the Star Army Medical Corps created a simple set of disposable garments.

Description

The Surgical Scrubs are made of four ply smart materials that create a fluid and particulate barrier. This creates a fabric that is durable, breathable, soft, and wearable. They consist of a top and bottom that can be worn over clothes and use ties to secure them. The scrubs come in three sizes (S, L ,XL) and two colors (light blue and light green). The tops close in the back and have a round neck opening. The pants have an elastic waist band.

After usage they can be placed into the medical disposal unit on all Star Army vessels and facilities and consumed readily.
