

Star Army Toiletry Kit

The Standard Issue Toiletry Kit consists of a number of personal care essentials encased in a black waterproof shower kit bag (with detachable shoulder strap). It is issued to all members of [Star Army of Yamatai](#). The kit's contents are expendable and can be reissued whenever needed.

Replacements are available for 20 KS (comes with complete set of items).

History

The Star Army Toiletry Kit has been available in some form since the Star Army's formation in [YE 21-YE 22](#) and has changed little over the years. At one time the kits were manufactured by [WickedArms Industries](#) as the **TA-12 Hygienic and Toiletry Items Set** (HATIS).

The earliest versions were part of the [Star Army Standard Issue Items](#) and included, 1 bottle of shampoo, 1 bottle liquid body soap, 1 toothbrush and tube of toothpaste, 2 white washcloths, and two white 2 towels. This version was still in use in [YE 29](#)).

By [YE 31](#), the Star Army issued a black waterproof shower bag detachable shoulder strap with a to hold everything and it contained, 1 bottle of shampoo, 1 bottle liquid body soap, 1 toothbrush, 1 tube of toothpaste, 2 white washcloths, 2 white towels, 1 stick of deodorant (for non-[Nekovalkyrja](#)), 1 hairbrush, and 1 pair of nail clippers.

By [YE 32](#), Toiletry Kit was designated as the Standard Issue Toiletry Kit. The Star Army split Nekovalkyrja

kits (Type 32A) from human kits (Type 32B), as some items were not needed for Nekovalkyrja. The 32B version had shaving cream and a razor added.

In YE 38, a camouflage version was added for the [Star Army Rikugun](#).

In YE 45, the generic black bag was replaced by one in Star Army blue with a [Star Army Hinomaru](#) on it in the style of the [Star Army Insignia Set, Type 41](#).
