

Star Army Tool Locker

The Star Army Tool Locker is a standardized storage unit for use by [maintenance crews](#) in the [Star Army of Yamatai](#). It entered service in [YE 31](#).

Tool Lockers are wheeled containers with one large drawer (for storing trays of small parts, rags, etc), and two cabinet-style doors that open to reveal shelves inside. Two side shelves provide additional storage space, which is generally used for [fire extinguishers](#) and oil cans. For safety reasons, the lockers are fireproof and are equipped with tie-down points to secure the locker for travel. The lockers are painted in Star Army blue (starship and general usage) or [yellow](#) (used on airfields and in carrier bays).

Price: 399.99 KS (not sold to public)

Contents

The rolling tool lockers typically contain:

- Common starfighter or power armor parts
- Commonly needed tools for armor, starship, and starfighter repair
- [Portable Repair Kit Premium Pack](#)
- Power Armor-sized [Aether Generator](#) for charging tools
- Rags and cleaning supplies

Firefighting Version

There is also a red version used exclusively for firefighting; instead of tools, the red version contains:

- Additional [Fire Extinguisher](#)  (4 total on the locker)
- Firefighting gear
- Foam mixing system
- Generator
- Hoses
- Water Pump
