- [\[Mission 7.0\] Operation Payback \(Prologue\)](#) After the events on Aqueuous the Fighting Diamonds

are given time to recover from their wounds and get some down time before their next deployment.

- [\[Mission 6.0\] Mists and Mysteries](#), the Heitan heads back to [Aqueous](#) to take on a group of members of the traitorous [Tachibana Clan](#). The mission briefing turns into an impromptu Captain Mast when a series of events occur between crew members. The Mission to Aqueous is not without its challenges, the squadron's new commander [Munkata Yaeko](#), finds command is harder than she thought, with losses starting on the initial target run. The team makes it to the camp of the traitors. Combat ensues, and [Silic Vas](#) finds himself in some of his more dangerous escapades. [Tereane Elisto](#) finds an prison vehicle with an assortment of prisoners in the cages which is to be part of a deadly experiment. When the base's reactor is compromised, the majority of the Diamonds pull back as ordered. [Silic Vas](#) and his companion [Anne](#) decide to remain in the base as the Engineer tries desperately to keep the reactor from blowing and causing an ecological disaster.
- [\[Mission 5.0\] Special Delivery](#), the Heitan is assigned escort duty to protect 30 [Urufu-Class Light Cruiser](#) manufactured in [Yamatai Star System](#) and being delivered by [Geshrinari Shipyards](#) to [Daichi](#).
- [\[Mission 4.1\] Repairs and Recreation](#), after the battle of the North Gate the Heitan heads to [Chiharu no Iori](#) in the [Veronica](#) system for repairs along with a number of other warships from the 2XF.
- [\[Mission 4.0\] Breaking the Dam](#), the 21st Awakens aboard the Heitan to a call to stations. As the squadron is boarding their fighters, [Numa Atsui](#) is called away by an emergency leaving the squadron in the XO's ([Ramirez, Ira](#)) hands. The squadron heads towards their objective escorting four [Hayai-Class Gunboat](#), when they come under attack by a group of [NMX](#) battlepods. During the first attack a group of new craft, [NMX "Immolator" Strategic Bomber](#) appear and attack the team. Two of the Gunboats are destroyed. The Fighting Diamonds sister squadron the Warrior Emeralds is destroyed, but their Gunboats join up with the 21st. Resuming their course, the squadron continues to protect their charges from any [NMX](#) forces.
- [\[Mission 3.2\] Adjustments](#) the members of the 21st get to enjoy some liberty, and meet their newest members. Crew members take advantage of facilities on [Libra Star Fortress](#) and [Daichi](#). The majority of the squadron went to [Epicenter](#).
