

Star Army Equipment Labels

Star Army of Yamatai equipment is typically labeled with the following labels. The labels may appear as stamps, painted stencils, or stamps.

Label Description

The labels are typically rectangular and contain the following information:

- Model (Typically the model includes the manufacturer. See [Standard Product Nomenclature System](#))
- Serial number
- Date of manufacture ([Yamataian Calendar](#))
- What unit the item is assigned to

Sometimes the location of manufacture will also included in the date field.

The labels are normally done in black or white depending on what provides the most contrast against the background.
