

Star Army Cargo and Supply

Cargo and Supply handlers (sometimes called Logistics Specialists, Logistics Officers or Quartermasters), are responsible for managing a ship or unit's inventory, supplies, and onboard cargo, including storage, loading and unloading, inventory checks, and transportation (typically via shuttle or truck). Their occupational color is orange. They can work on standard fleet ships, on ground bases, or for [Star Army Logistics](#).

This [Star Army of Yamatai](#) occupation is typically filled by [NPCs](#) but is certainly playable.

History

As long as there's been an army, someone has had to move cargo around.

Eligibility

There are no eligibility requirements for this occupation and occupation-specific training is done on the job. Soldiers in this occupation are simply expected to pick it up as they go.

Ranks

The minimum rank for this occupation is [Santô Hei](#) and the maximum rank is [Jôtô Heisho](#).

Playing

- Track each cargo container by ID number and keep inventories current.
- Keep dangerous combinations of chemicals stored apart.
- Keep more inert cargo on the outside so that in the event of hull damage during an attack, it can shield volatile cargo.
- Heaviest containers go on the bottom.
- Refrigerated containers need power connections.
- Minimize the number of crane moves.
