

Director Of Star Army Logistics

The Director of Star Army Logistics (also called “Commander, Star Army Logistics”) is the head of [Star Army Logistics](#), which is responsible for the [Star Army of Yamatai](#)'s materiel sustainment and transportation needs.

The Star Army of Yamatai is one of the largest, if not the largest, customer for a vast array of manufacturers and is also one of the largest manufacturers itself; therefore, Star Army Logistics and its director exert a massive influence on the [Yamataian Economy](#).

History

Star Army Logistics was established in [YE 22](#), creating this position.

By [YE 30^{1\)}](#), [Kawahara Opal](#) became the Director of Star Army Logistics.

In [YE 33](#), the director of Star Army Logistics conducted a corporate meet and greet event²⁾.

In 9月 [YE 38](#), the Director of Star Army Logistics was upgraded from a [Chujo](#) position to a Taisho position, based on its command of a large fleet of starships.

On 20日 5月 [YE 39](#), Star Army Logistics moved its headquarters to the [Central Fleet Depot^{3\)}](#) and this is

where the Director of Star Army Logistics typically works.

Eligibility

This is a unique admiralty position in the Star Army and is intended to be a [Taisho](#) position, which means that in order to apply for it, the position must be vacant or imminently vacant and the applicant must be a [Chujo](#) eligible for a [promotion](#), which must be authorized by the [Emperor or Empress of Yamatai](#) and requires 15 years of service. Typically officers will apply to be Deputy Director of Star Army Logistics and the deputy will be promoted when the director retires. There is a low turnover for this position and the director will typically stay in this position until they retire or are dismissed by the commander of the Star Army of Yamatai.

Playing

This is typically a factional NPC position rather than a position filled by a player character.

Skills

The Director of Star Army Logistics has the following skills:

- Military Logistics
- Expert on contracts and business negotiations

Player Expectations

Players controlling this NPC should answer requests in the communications forums from fleet admirals and from lower-ranking supply officers.
