

Operation Matchmaker

- A [Star Army Intelligence](#) operation.

Forwards

The [Star Army of Yamatai](#) has some of the most advanced technology in the known galaxy; yet with all of that said, we still have not found a way to truly control destiny. That perhaps is the challenge with this operation; you cannot force someone to love someone else, and have the fruitful results so all you can do is facilitate feelings already there.

Background

The Sky Marshall of [Democratic Imperium of Nepleslia](#) visited the [United Outer Colonies](#) in early YE 30; during his time on [Hotaru Star Fortress](#) he was observed by both [PANTHEON](#) and eye witnesses to be enjoying interaction with the [Fifth Expeditionary Fleet's Chujo Mitsuya Ember](#).

Bringing these observations to the Empress [Ketsurui-Motoyoshi Katsuko](#), the now [Star Army Intelligence](#) Director, [Motoyoshi Misato](#) proposed using this possible connection as a way to improve communication between the [Democratic Imperium of Nepleslia](#) and [Yamatai Star Empire](#). After some thought on the matter, the Empress and the Director, decided to proceed with a plan that only explored this avenue if it was a genuine relationship and not something they forced which would only lead to more bad relations between the two nations.

Director [Motoyoshi Misato](#) was then given authorization to try and facilitate these two possible love birds during the [International Relations Conference of YE 30](#) while her ship, the [YSS Yuurei](#) was at [Pisces Station](#) anyway to take on crew.

The Plan

A restaurant called 'The Velvet Room' has been an operational front for [Star Army Intelligence](#) on [Pisces Station](#) trying to keep an eye on the black market trade that passes through the station while the government's eyes willingly look the other way.

[Motoyoshi Misato](#) decided the restaurant would make a great front for their operation and arranged to take the place over for a night. Her crew : [Creighton Marks](#), [Camellia Sarri](#), and [Motoyoshi Sayuri](#), would take on roles posing as employees of the restaurant and help lure the operational subjects together for a romantic meal. A free meal ticket would be delivered to both Sky Marshall Davis and Chujo Mitsuya, the restaurant save for the table for two has already been completely reserved.
