

YSS Aeon - Ship Operating Procedures

This page provides standard guidance for [YSS Aeon](#) Operating Procedures.

Per [SAoY](#) regulations:

- Bridge must be manned at all times, except when the ship is in a friendly port.
- No portal into the ship shall be left open without a posted guard, except when the ship is in a friendly port. Until further notice, even when in a friendly port any open portal shall be guarded.
- The [Combined Field System](#) should only be deactivated for maintenance or when docking.
- Always use the most secure means of communication available.
