Joining the Crew

- Experience is not required. New recruits and trainees are welcome, so long as they put good effort into their profession.
 - If you're new to Star Army, it is vital to read the [Guide for New Players](#) and the [Guide to Military Roleplaying](#).
- Applying characters should be well-mannered and patriotic and loyal to Yamatai (The captain will remove disrespectful characters from her crew).
- Before being officially assigned to the Eucharis, new crew members may have to pass an in-character interview with the captain.
- Note that characters are not assigned randomly to the Eucharis. It is a sought-after assignment that must be requested by the character.

Available positions are listed on the plot page: [Characters Wanted](#)
