

# Modifications and Interiors of the YSS Phantom

The YSS *Phantom* has no modifications to the normal *Eikan-Class Heavy Cruiser* layout.

## Crew Lounge

The *Standard Star Army Crew Lounge* onboard the the *Phantom* is arranged with the the bar on the far left of the room, farthest from the door, with tables in the space between. Booths line the wall on the opposite side, and the lighting is typically kept dim, the primary light source covered lamps on the tables.

It is named "The Phantom's House" by the crew.
