## History

The YSS Moirai was created due to a need in the 3XF for a support vessel. It was created in order to serve in the newly created Search and Rescue squadron. Galar Vanatosk, once a member of the 3XF ship: the YSS Goban, was transferred from his station in the 5XF in order to command this ship.

## Mission

The YSS Moirai will strive to search out and rescue all peoples in need, whether they be Yamataian or Nepleslian or any other race in the universe. If they are being held and tortured, then the crew of the Moirai will save them from their oppressors.
