

Star Army Insignia Set, Type 41

The Type 41 Star Army Insignia Set is a two-piece set of organizational insignia patches used by the [Star Army of Yamatai](#) beginning in [YE 41](#).

The Type 41 Patch Set costs 7 KS and is available from any [Star Army Clothing Store](#) or can be directly ordered from [Star Army Logistics](#) by a [Supply Specialist](#). They are also usually available at [Star Army Alterations and Embroidery](#).

History

The [Star Army Hinomaru](#) has been in use on [Star Army Uniforms](#) since [YE 22](#) or [YE 24](#). In [YE 38](#) the Star Army adopted the Type 38 Hinomaru as its insignia. In [YE 41](#), the Star Army decided to add an additional patch with the Star Army's name, creating this set of insignia.

In [YE 46.1](#) the Star Army did a 5-year review on the insignia set and decided it was working well and no changes were needed. The set was authorized until at least [YE 51](#).

Design

The Type 41 Insignia Set includes two patches:

- Hinomaru
- Star Army Tab

Star Army Hinomaru, Type 41

The first is a Type 41 [Star Army Hinomaru](#), which consists of a [Ke-M2-4 Series "Mindy" Armor](#) on a maroon red background, surrounded by a thick white circle and a black merrowed edge. The Type 41 hinomaru is essentially the same as the Type 38 except for the MINDY being slightly larger. The patch is 100% embroidered and has a plastic backing to provide stiffness.

Tab, Organizational Identification, Type 41

The second is a “tab” (also called a rocker) patch with the text “STAR ARMY” in [Trade \(language\)](#). The tab is black and curved to match the bottom of the circular hinomaru patch. The text is written in white CONTHRAX SB font. The tab has a black merrowed border and plastic backing.

It is authorized to use the tab with older 3-inch hinomaru patches. If necessary, the tab can theoretically be exchanged with future tabs that would have the [Star Army's name written in other languages](#).

Usage

The patches are worn as a set on the arm. On most Star Army uniforms the patch is sewn on about halfway between the shoulder and the elbow.
