

Type 41 Gym Shoes

The Type 41 Gym Shoes are shoes that can be worn with the [Star Army Exercise Uniform, Type 40](#) as of [YE 41](#).

The Type 41 Gym Shoes cost 50 KS for a pair and are available from the [Star Army Clothing Store](#).

History

The Type 41 Gym Shoe was designed and manufactured by [Ketsurui Zaibatsu](#) before being put into mass production towards the start of [YE 41](#) as a more luxurious and eye-catching version of the previously all-black sports shoes that came with the previous uniforms.

In [YE 46](#), the Star Army conducted a 5-year equipment review and determined they would continue using this shoe until at least [YE 51](#).

Design

The Type 41 Gym Shoe was designed to be a little more luxurious and eye-catching than the standard sports shoes, the main color is the standard [Star Army Regal Blue](#) with [Command White](#) soles and the [Star Army Hinomaru](#) across both sides of the ankles, additionally the [Kinugoshi-ko](#) laces are available in either [Command White](#) or [Star Army Regal Blue](#). The shoes are flexible with extra cushioning to handle impacts that come with physical activities such as running, etc.

Usage

Type 41 Gym shoes are worn just like any other shoe, with each foot pulled into the cavity of the respective shoe before the laces are pulled firmly to make the shoe fit better, finally the laces are tied into a tight knot – simply untie this knot and pull the shoe off to remove it.
