

Rabaal System

The Rabaal System is a formerly [Mishhuvurthyar](#)-controlled star system that served as the hub of the [NMX](#) in the way that [Nataria](#) is the hub of the [Star Army of Yamatai](#).

History

During the [Second Mishhuvurthyar War](#), the [Sfrarabla Mishhuvurthyar Nougpift](#) used the Rabaal system as the military logistics center of their territory in the [Kikyo Sector](#) of the [Kagami Galaxy](#).

Battle of Rabaal

In [YE 34](#), the [YSS Eucharis](#) and her sister ships proceed stealthily to the outskirts of Rabaal and inserted two stealth shuttles carrying 11 Eucharis crew members and 100 infantry troops, who boarded The Nest, a huge starbase that served as the hub of the [NMX](#). They were able to capture an [NMX Escort/Destroyer](#) and bring down the station's shields by disabling its main reactor, allowing the [First Expeditionary Fleet](#) to arrive and destroy the station.

During the battle, the [YSS Yamatai](#) was destroyed.

Hidden Sun Clan Colony

In [YE 35](#), after the end of the Second Mishhuvurthyar War, the Rabaal system was given by the [Yamatai Star Empire](#) to the [Poku Saeruo Degonjo](#) for colonization and became part of the [Otâgo'iâmai \(New Worlds\)](#).
