

First Elysian War

The First Elysian War was a conflict between the [Elysian Celestial Empire](#) and the newly-formed [Yamatai Star Empire](#) that took place from around [YE 01](#)-[YE 08](#) as Yamatai consolidated its control over the [Yamatai \(Planet\)](#) (aka Geshrintall).

During this war:

- Yamatai stole the treasured [Soul Transfer](#) technology from the Elysians because, at the time, the [Uesureyan Star Empire](#) wouldn't give it to them.
- Elysians killed Emperor [Ketsurui Saito](#) and [Ketsurui Yuki](#)
- Elysians are blamed for a [PNUgen Corporation](#) created virus which killed 20 billion Geshrin in [YE 08](#)
- Yamatai responds by declaring Elysian civilian targets as acceptable and its military shoots down most of the [Heavens](#), killing countless Elysians.
