

Kuvexian Advance of YE 42

The Kuvexian Advance of YE 42 is a series of military advances by the forces and businesses of the [Interstellar Kingdom Of Kuvexia](#) in [YE 42](#) as part of the [Kuvexian War](#) as they work primarily against the [Yamatai Star Empire](#) to become the new masters of the sector.

History

In [YE 41](#), the [Kuvexian Interstellar Navy](#) (KIN) made considerable gains in the [Kikyo Sector](#), taking most of the Southwest corner (the part that is coreward and counter-clockwise to the [Kagami Galaxy](#)), and taking over the [Ketsurui Military Sector](#) entirely.

Seeking to capitalize on and expand on the wins of the YE 41 Invasion, the KIN began a new large-scale advance through the [Kikyo Sector](#) in YE 42 starting in the YE 42.3 ([Yamataian Calendar](#)).

At the same time, corporations initiated their own land grabs and began setting up colonies on the systems liberated from the [Yamatai Star Empire](#) and other governments, creating Kuvexian colonies or nominally neutral colonies like [Sood Zadra](#).

[Ether Base](#) on [planet Ether](#) was raided by Kuvexians killing all Star Army personnel there.

The Kuvexian Interstellar Navy then successfully attacked and took over the resource-rich [Jun system](#) and [Scrapyard System](#).

Starting to run low on supplies and seeing a need to force a decisive battle with Yamatai, the Kuvexians attacked [Nataria](#) in YE 42.4 in the [Third Battle Of Nataria](#).
