Abwehran Star Empire	Born from the deaths of nearly three previous governments, the Abwehran Star Empire is the latest and most democratic of nations to be born on Abwehr. A rather young nation in comparison to its predecessors, nearly 300 Abwehran Years (~1000 Standard Years), the Empire is just starting to join the interstellar community.	No	ASE	
Baroka		No		
Black Claw Star Empire	The Black Claw Empire was an intergalactic empire that spread to the far reaches of many galaxies. The dog-like beings who ran this empire subjugated many other races, including humanity, in their grand expansion of conquest. After many centuries of rule, the enslaved races rose up and overthrew the Black Claw. It is unknown if any survived the backlash of the revolution.	No	BCSE

Democratic Imperium of Nepleslia	The Democratic Imperium of Nepleslia is a gritty cyberpunk nation of humans, cyborgs, and mutants that deals with high crime in its megacities. Mixing of genetic material from super-solider programs has resulted in muscular half-breeds and a population that is considerably more male than female. Nepleslia has a space navy and space marines. It was previously part of Yamatai, but it rebelled and gained its independence a little more than a decade ago.	Yes	DION	
Elysian Celestial Empire	Elysia , officially the Elysian Celestial Empire, is a nation whose territory is located in the North-West sector of space. The Empire is bordered by Democratic Imperium of Nepleslia, the Freespacers and the Mishhuvurthyar, as well as geographically speaking bordering Ayame's Nebula, the largest cluster of black holes in known space, the 'Stars' and Xenn's Expanse. Suzerainty of Yamatai.	Yes	ECE	
Poku Saeruo Degonjo	Around 750 years ago during the myriad struggles for dominance, a race of felinoids chose to find a place where they could live their lives by their own warrior code. So they packed up all that they owned, and left in their fleet of ships. They gathered resources along their journey with lasted about 50 years. Eventually they chose to settle in the large nebula about 80 light years south of Yamatai. They were lead to it by the super nova that coalesced into the nebula. The inner core of the star remains a dim remnant from which they called their new home the Hidden Sun nebula, and themselves the Hidden Sun Clan. Created by Nashoba.	No	PSD	
Independent	Those not a part of a major faction of the SARPiverse.	Yes	indie	
Iromakuanhe Astral Commonwealth	The Iromakuanhe Astral Commonwealth is culturally rich and established nation in the Iruotl System, in the far galactic north. It was founded centuries ago, after the human colonists of Maekardan ended a bitter long standing feud to the Makuori, the ancient residents of the world and defeated a mutual enemy, becoming a new race in the process. It defines it self as a sovereign, democratically run nation with a rich cultural heritage that goes back over a millennium with pacifistic intentions, and the desire to seek enlightenment in the stars, and the self.	No	IAC	
Interstellar Kingdom Of Kuvexia	The Interstellar Kingdom of Kuvexia was a capitalist monarchy primarily inhabited by members of the Kuvexian species.	No	IKOK

Lorath Matriarchy	The Lorath are a humanoid race with bird-like wings. Not many can fly though, due to their exile of 50,000 years underground. It was only recently that they have resurfaced, and taken back the world from the Helashio. Through the bloody conflict, the Lorath were able to coerce their will upon the above world race. The race that had lost became the Lorath's slaves, serving those that they had driven out from fear so long ago.	No	LM	
Sfrarabla Mishhuvurthyar Nougift	The Sfrarabla Mishhuvurthyar Nougift is the government of the Mishhuvurthyar.	No	SMN	
New Dusk Conclave	Founded in YE 40 by rebels, outcasts, and refugees, the New Dusk Conclave wants to create a better society for all sentients - one free from the harsh totalitarian regime that its leaders left behind and one that would provide a worthy place for all sentients who would call it home. FM: Alex Hart Co-FMs: In question	Yes	NDC	
Kingdom of Neshaten	The Kingdom of Neshaten is a decent sized Kingdom, spawning multiple races and with a fairly well developed Culture, that is also rather socially conservative. The Kingdom is liked on its own due to its established government and because of its desire to help not only those within the Kingdom but also that outside of it. The races of the Kingdom include the Daur, Laibes or collectively known as Shukaren and My'leke.	Yes	KON	
Nepleslian Reds	One of the historic Nepleslian cultural groups, the Reds are primarily associated with the ancient cloning factories of old Planet Nepleslia. While the Greens chose to work for or with the Uesureyan Star Empire in the past and primarily served as soldiers for the Uesureyan war machine, the Reds rejected this in favor of personal freedom and engaged in many campaigns against the greens, despite typically being outnumbered and outgunned. As of YE 44, they have been largely inactive in the affairs of the sector.	No	Reds	
Tre Empire	The Tre Empire was a member of the United Empire Forces. It was known for its advanced aircraft.	No	TE	
Tsenlan	Sagely space elves from another universe. They overcame great obstacles and have come to join their allies as the newest state of the Yamatai Star Empire..	Yes	Sagely space elves from another universe. A state of the Yamatai Star Empire.

Uesureyan Star Empire	The Uesureyan Star Empire (Also known as the Uesureyan Empire or the Weslian Star Empire) was a powerful faction that succeeded the Black Claw Star Empire and preceded the Yamatai Star Empire, which slowly absorbed it. It was known for its political strength and superior technology. The Uesureyan Star Empire was a member of the United Empire Forces.	No	USE	
United Norian Imperium	The united government of the Norian people in the Chrystalis Universe.	No	UNI	
United Outer Colonies	The United Outer Colonies was a nation in the Kikyo Sector that existed from YE 30 until the end of YE 32. The remains of which are now the Motoyoshi Colonial Sector, which is a region of the Yamatai Star Empire.	No	UOC	
Yamatai Star Empire	The Yamatai Star Empire is a technologically-advanced transhuman empire with most of the population using biological android bodies. It's got an 80s anime-inspired flavor and is protected by a massive, politically powerful military called the Star Army, which the site is named after. It is the Star Army setting's cornerstone faction.	Yes	YSE
