

Fortress (Weltraumflotte)

WIP: This article is a work in progress.

The secondary Headquarters for the [Weltraumflotte](#) as well as a major listening post / supply point for the inner system, Fortress is the largest [Frontier Asteroid Base](#) in Abwehran space. Built into a cored-out planetoid roughly 578 kilometers in diameter, Fortress was once a major military base. However, with the dwindling pirate population in [Jaspis](#) and the need for forces elsewhere, it is often run by a skeleton crew.
