

Schongebiet Trade

WIP: This article is a work in progress and is not yet approved for usage in the RP.

The main trade hub of the [Schongebiet](#) system, Schongebiet Trade is the focal point for all four planets in the system. Orbiting the oceanic world of [Oase](#), Schongebiet Trade is also the center of the [Schongebiet System Government](#).

Schongebiet Trade Agriculture

While many of the worlds in the [Schongebiet](#) system are able to supply their own food, food production is still in development in the system. Because of this, the majority of Schongebiet Trade's food production is solely for the colonies. Very little surplus is generated from the station's Agriculture Section and is thus stored away for emergency situations.

Schongebiet Gravball Arena

With the capacity of 30,000 attendees, the Schongebiet Gravball Arena is the largest Arena outside the [Jaspis](#) system. It holds all the amenities of the other Gravball Arenas including: gymnasium, changing/shower rooms, and dormitories for players. However, it also contains a hotel for 300 VIP guests and several restaurants.

Schongebiet Recreation Park

Unlike the Nature Parks, Schongebiet Recreation Park is an area that contains numerous sport fields from many cultures in the known galaxy. Schongebiet Recreation Park has fields and spaces for the following sports:

Non-Abwehran Sports:

- Baseball
- Soccer
- *Space for Future Sports*
